CHEYENNE
CHAMBER OF COMMERCE

Investment & Sponsorship Guide

2026

Building Business. Building Legacy.

The Greater Cheyenne Chamber of Commerce drives opportunity, advocates for business, and strengthens the free enterprise system that makes Cheyenne thrive.

Our Mission

To make the Greater Cheyenne area a more prosperous and quality community.

Our Vision

To be your business destination.

About the Greater Cheyenne Chamber of Commerce

The Greater Cheyenne Chamber of Commerce was founded in 1907, when a group of bold business leaders came together with one big goal: build a stronger, more prosperous Cheyenne. More than a century later, that same spirit still drives us.

From our early days championing local enterprise on the Wyoming frontier to now advocating on Capitol Hill for policies that shape our state's economy, we've never stopped working to protect and grow the business community. For over 115 years, we've been more than a Chamber, we've been the connection point where business, community, and opportunity meet.

Today, we represent a diverse network of businesses, representing over 1,000 business voices from mom-and-pop shops to corporate enterprises.

And while a lot has changed since 1907, one thing hasn't: our commitment to the values that make Cheyenne the Capital of the West.

Exceptional Economic Development, Transformative Community Development, Innovative Talent Development, and Relentless Action & Advocacy

These four initiatives are the foundation at the Greater Cheyenne Chamber of Commerce program of work. As Wyoming's largest Chamber, with more 1,000 members, we strive to make the Greater Cheyenne area a more prosperous quality community. We are committed to helping your business grow and thrive!

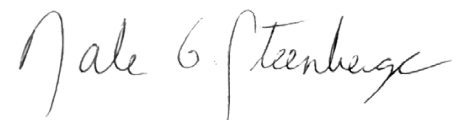

The Chamber offers several networking and sponsorship opportunities through social events as well as governmental affairs and advocacy opportunities through committees. The Chamber is also up to date with information regarding our city, county, state and nation that affects our community. When investing into the Greater Cheyenne Chamber you are also investing into the future of your community to support our efforts in economic, community and talent development and advocacy at the local, state and national levels.

Every option you will find in this Investment & Sponsorship Guide is designed to maximize your marketing efforts by providing the best promotional impact through visibility before, during and after each event.

There is no better time than the present to become a member of the Greater Cheyenne Chamber of Commerce. We have an incredible team working to grow our community and we hope you'll let us work hard to help grow your business as well.

I look forward to working with you!

Sincerely,

Dale Steenbergen
President and CEO
